

MAY 24-26, 2024|BANGKOK, THAILAND

ICBDC 2024

2024 9TH INTERNATIONAL CONFERENCE ON BIG DATA AND COMPUTING

ICBDC2024 is mainly organized by Department of Industrial Engineering, Faculty of Engineering, Chulalongkorn University. The aim of ICBDC 2024 is to present the latest research and results of scientists related to Big Data and Computing topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field.

IMPORTANT TIME

- Submission Deadline:
March 30, 2024
- Notification of Review Result:
April 20, 2024
- Camera Ready / Registration Deadline:
April 30, 2024

CALL FOR PAPERS

- Algorithmic, experimental, prototyping and implementation
- Big Data Mining and Analytics
- Big Data Processing and Querying
- Cloud and Big Data for Internet of Things
- Computing, scheduling and resource management for sustainability
- Government and Industrial Experiences for Cloud and Big Data
- Green Computing and Networking Technologies for Cloud and Big Data
- Green data centers / environmental-friendly perspectives
- Software Engineering for Cloud Computing and Big Data

SUBMISSION GUIDELINE

- Prospective authors are invited to submit original, high quality papers which is original and has not been submitted and published elsewhere.
- Manuscripts should be at least 8 full pages and at most 20 pages. (One regular registration can cover a paper within Ten pages, including all figures, tables, and references.)
- Submission Online Electrical System:
<http://confsys.iconf.org/submission/icbdc2024>
